

# 27th Avenue & Olney Avenue Storm Drain Project

March 2023

## Project Information

The Flood Control District of Maricopa County and its contractor, Revolution Industrial, are installing new storm drain pipe and catch basins along the north side of **Olney Avenue between 24th Avenue and 27th Avenue**, and on the east side of **27th Avenue between Olney Avenue and South Mountain Avenue**, as shown on the map.

## CONSTRUCTION UPDATE

Construction of the storm drain pipe began on Olney Avenue in February and will move north on 27th Avenue to Dobbins Road in March.

### TRAFFIC RESTRICTIONS

- The contractor will maintain one lane in each direction on 27th Avenue.
- Access to residences and businesses will be maintained; however, temporary restrictions may occur during regular work hours. Crews will assist vehicles as they enter and exit side streets and driveways.

### PLEASE USE CAUTION

**When passing by the crews operating heavy equipment; whether you are on foot, riding horseback, or in a vehicle, please slow down and watch for direction from the crew.**

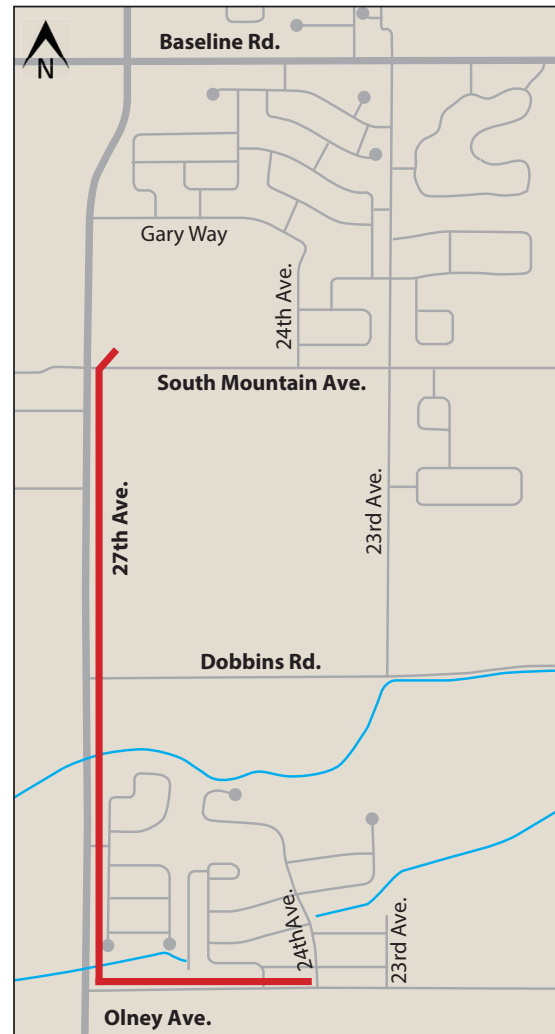

We appreciate your patience and cooperation throughout construction!

## CONSTRUCTION SCHEDULE

January 3 - December 29, 2023

Monday - Friday, 7AM - 5PM
